# INTRODUCTION

## 1.1 Brief Description Of Booking System for Saloon Website

Welcome to our booking system website for saloon and spa, where we offer you so many different styles of haircuts and different types of massages which are done by our expert massage therapists and hair stylists. Technology and trends are forever changing. Perhaps the only constant among this consistent change is that tech is continuing to play a larger and larger role in our everyday lives and in business's day-to-day procedures and operations as well. The salon and spa industry is no exception. Today, customers expect to be able to access salon and spa booking options online 24/7. After all, the majority of experiences in people's everyday lives are training consumers to prefer and even rely on online booking rather than face-to-face interactions.

According to data of online survey done by govt, 70 percent of salon and spa customers prefer online booking over calling in. And, with online booking offering a better solution for business's bottom lines, as it lowers operational costs, this growing trend has the potential to greatly benefit both customers and salon and spa businesses alike.

## 1.2 Key Features

- **Personalized Recommendations:** We have a modern software which scans shape of your face and with the help of AI it recommends the best suitable haircut which suits you.
- **Many options:** Apart from the AI recommendation of haircut as we also offer services of spa. For that you have multiple choices which you would like to have. We are also offering time slots as per your own choice so that customers won't feel difficulty.
- **Budget-friendly :** Our saloon mainly focuses on the middle class customers point of view so that no one will feel bad for not visiting our saloon on the name of money. As the motto of our saloon is "Life may not be changed but Hair can be", we mainly focus on every customer so that no one feels bad of not visiting our saloon.
- **User friendly:** Our website is made with the simply operable and simply understandable so that no one feels difficulty in booking an appointment.
- **Reviews and Ratings:** Make informed decisions by checking out reviews and ratings from other users who have experienced the joy of giving with our suggestions.
- **Secure Transactions:** Rest assured that your transactions are safe and secure. We prioritize the privacy and security of your personal information.
- **Responsive:** Our website is completely responsive so you can easily operate it on any device hassle free.

### **1.3 Significance of online booking system for saloon:**

An online booking system offers various facilities for customers. Here are some key points highlighting the significance of such platforms:

- **Time-saving:** Booking system provides you the specific time slots where a customer don't waste his time in waiting at saloon for their opportunity in saloon or spa.
- **Personalization:** Many suggestions are there where we have software which shows you several options which makes your face look good and attractive and we provide variety of suggestions of massages which make you feel satisfactory.
- **Broad Range of Options:** This platform often offer a wide range of options. This variety can help users discover unique and creative hairstyles that they might not have thought of on their own.
- **Reduced Stress and Anxiety:** Choosing the right saloon can be confusing for so many people. Our saloon is the right option where we offer several different types of massages which help people in reducing their stress and anxiety.
- **Discovering Trending or Popular Styles:** These platforms often feature trending or popular hair colours which are suitable to your face, helping users stay updated on current preferences and popular choices. This can be especially useful for individuals who may not be familiar with the latest trends in the market.
- **Customer's Review:** Many saloon booking system websites provide user reviews and ratings for various products. This information can assist customers in making wise decision of selecting perfect saloon, ensuring the quality and appropriateness of the chosen saloon.
- **Accessibility:** Online booking system of saloon platforms are easily accessible, allowing users to explore new styles and various types of massages which gives comfort of their homes. This accessibility is particularly valuable for individuals with busy schedules.
- **Booking System Guidance:** Some platforms provide guidance on Booking system, helping users navigate the various styles by seeing our tutorial video.

## **1.4 Introduction Of Team Members**

Our team consist of total 3 members:

### **1. P.Sai Praneeth**

#### **➤ Contribution:**

- Innovative ideas which helped in enhancing the appearance of website
- Assembling pictures for the various interfaces
- Report Making

### **2. Gursharn Singh**

#### **➤ Contribution:**

- Complete code of website excluding home page
- Helped in enhancing the website and making it user-friendly
- Helped in organising codes from all groupmates and made website more attractive

### **3. Sachit Sood**

#### **➤ Contribution:**

- Code of website's home page
- Suggestions of decoration styles used(CSS)
- Technical issues were resolved by him

## **TECHNOLOGIES USED**

### **1. Hyper Text Markup Language 5 (HTML5)**

- HTML5, or Hypertext Markup Language version 5, is the latest standard for structuring and presenting content on the World Wide Web. It is a markup language used for creating and structuring the content of a web page. HTML5 is the evolution of HTML, the core technology that has been fundamental to the development of the web since its inception.
- HTML5 has become the standard for modern web development, offering a rich set of features and improved capabilities to create more interactive, dynamic, and accessible web applications.

### **2. Cascading Style Sheet 3 (CSS3)**

- CSS3, or Cascading Style Sheets level 3, is the latest evolution of the Cascading Style Sheets language, a fundamental technology used to style and present documents on the web. It builds upon the foundation of CSS2, introducing new features, capabilities, and improvements to enhance the design and layout of web pages.

        <div class="container">
            <h2>Our Story</h2>
            <p>
                This Saloon was established in the year 2000.We have glorious experience
of 23 years in the field of Saloon and spa maintainance.
                We respect your priored choice of haircut or massage to make customers
feel satisfactory.
            </p>

            <h2>Our Mission</h2>
            <p>

```

```
<div>
    <p>Our mission is to give people the look they want.We strictly follow the
    motto of "LIFE may not be changed but your HAIR can be".So,make a wise decision before
    choosing a saloon.Hope we make your day.
    </p>
    <h2>How we do it</h2>
    <p>
        We have best and qualified hair stylists and massage therapists who can
        understand your choice of hairstyle or massage which gives you a satisfactory experience
        at our saloon.There is a suggestion box placed to the left side of exit door.All sort of
        suggestions are accepted and respected.
    </p>

## **4.Observations:**

### **Home page:**

There are several different services shown in the home page listed as haircut, haircolor and massage. These three are further connected to another interface where you can see list of types of haircut, list of types of massages, list of different haircolors.

### **Login page:**

We have special interface for login where a user can login into his/her account to book their time slot for the saloon.

### **Location:**

We have a special interface showing our location which helps in navigating our saloon. This helps others Save their time in searching of our saloon.

### **Contact us:**

The contact us page includes various options like options to send messages, call or email us to contact with our team. These things helps in encouraging user engagement.

### **About us:**

We are featuring our glorious history of the saloon and about qualified hair stylists whom we are recruiting which boosts customer's confidence and builds trust in him towards our salon and makes him consider it as an option.

### **Booking system page:**

We have a separate page exclusively for the boking system of our saloon where all services are displayed and time slots are also flexible. Clear presenting of various types of hairstyles and massages contribute to an organised and user-friendly experience.

## **5.Conclusion:**

We have developed our website by using various strategies which makes customers get attracted towards our salon. we have made our website user friendly so that no one face difficulty in using our website and we also provided various types if services by our expert specialists which makes customers consider our saloon as their option. As our saloon's motto is "Life can't be changed but your hair can be" we are focussing on customers who belong to middle class family. So, we have made it budget-friendly so that no one regrets that they are born in a poor family.

## **6.Bibliography:**

To complete the following project we have used few websites in completing the project successfully. The websites listed below are:
